

INTELLIGENT BUILDING EUROPE

Making smart buildings simple.

19-21 MAY 2020

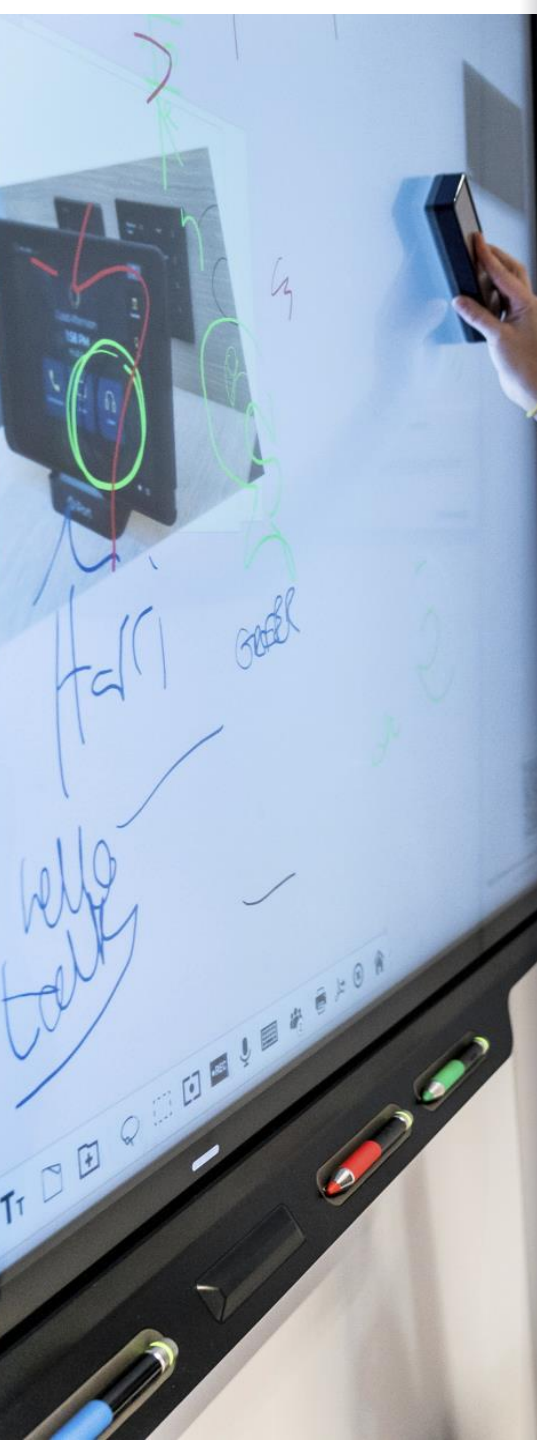

EXCEL LONDON

informa markets

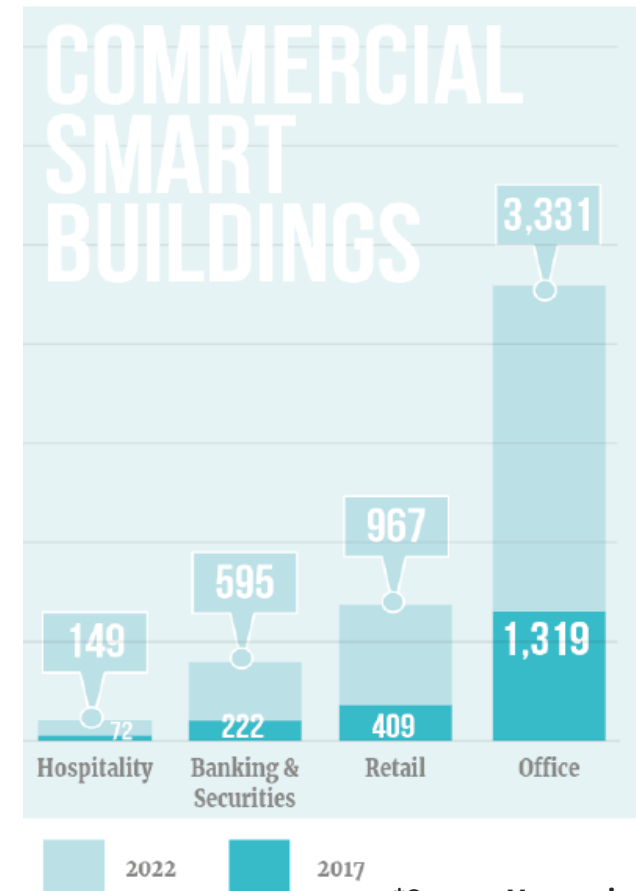

BY 2022 THERE WILL BE OVER **3 BILLION*** CONNECTED DEVICES IN COMMERCIAL OFFICE SPACE

MAKING SMART BUILDINGS SIMPLE:

Intelligent Building Europe is the only event connecting the people who operate smart buildings with the people who design them – and the people who manage them.

Supported by:

*Source: Memoori

MAKING SMART BUILDINGS SIMPLE

- Built around a **ground-breaking Smart Building Experience** created in partnership with Master Systems Integrator Vanti, demonstrating the benefits of an integrated environment

- Co-located with **Facilities Show**, the world's largest facilities event

- Running alongside **IFSEC International**, Europe's leading security event for integrators

- Partnered with and supported by **CIBSE**, the Chartered Institute of Building Services Engineers

INTELLIGENT BUILDING EUROPE

Bringing together three key audiences:
